2016 Wilbur Wright Christmas Walk was a successful. The tree with the most donations was by Weenie World, Larry Stewart owner. Luellen's LP came in second. Wilbur Wright thanks all participants and volunteers for all the beautiful trees and hard work leading up to and during the Walk. We want to especially thank Terry Robinson and Charlie Fields for special light-effects outdoors.

Come and explore our Gift Shop! We have new and updated items! A "Must Read" is a new book called The Wright Brothers by David McCulloch (copyright 2015).
